- [How can I become HERO]

Tonight... I am sleeping in my hotel. Its name is "Shimada Hotel".

I'm travelling in Japan. My hotel isn't too old but it looks very ancient in my room. It is decorated with an old Japanese style. There is one bow and many arrows in the room. I just touch it for one time. It has a big green dragon! It is jumping to my little black eyes. In my vision has a man tells his story to me. He is not too old and has Japanese style clothes. He can't come out because it has something that blocks him. This week I'm not Boom anymore.... I am Hanzo Shimada!
