Dear Mr. Matthew,

Re: Application for the position of an English Teacher

Please accept my application for the above position. I think I'm the best person for the job because I'm friendly, trustworthy, love children and well-organized person.

I have lots of experience working in a number of different jobs. When I was ten years old, I have taught Batman and Iron man to be the super hero. I used to be a teacher in The Oxford University for four years before I moved to Thailand in 2015.

I have lots of qualifications including an English language teaching certificate from the University so I can talk to the foreigners and have an experience in teaching the student with many years in the International School.

I am look forward to hearing from you in the near future about my application.

Yours faithfully,

Naprin Chombordin
